

The Friends of All Saints Church, Wood Norton was established in 2021 to:

- raise funds in order to help conserve, maintain and improve the fabric, furnishings and fittings of the church so that it is kept in good order for current and future generations to enjoy.
- raise funds for the maintenance and upkeep of the churchyard.
- help with the costs of repairs.
- help support the events and activities of the church within the local community.
- promote an appreciation of the beauty and tranquillity of the church and its environs.

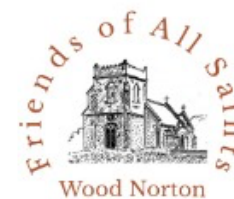

All Saints' church is steeped in history, dating back to the 1300s – though the tower is a mere 400 years old – although at the time of the Domesday Book there were two churches recorded in the village.

Today the church continues to be a place to seek solace and to reflect and nourish the spirit. It is a place of worship, a place to celebrate weddings, christenings, and to mark the Christian festivals that punctuate the year. But it is also host to exhibitions, film nights, lunch get-togethers and informal music and poetry events.

There is no membership fee for becoming a Friends of All Saints, but by supporting and becoming a Friend you are helping to ensure that All Saints Church remains a part of our community for future generations and are supporting our unique village heritage and history.

All Friends will receive a regular newsletter and information about current projects, plans and future events.
