

Friends of All Saints Wood Norton

Welcome to the Summer edition of the Friends of All Saints newsletter.

Our **Facebook** page launched last October, and we are pleased to see that the page seems to be gathering interest. We have eleven followers to date, which will hopefully increase in the future.

We held our first **AGM** on Monday 15th May – a big thank you to those Friends members who attended this meeting. All the committee were happy to stand again for another year and were duly re-elected *en bloc*. We produced our first Annual Report and Accounts, with the balance at 31st March 2023 standing at £1,320, and we will be working with the PCC over the coming year to identify projects that we might support.

On April 15th we held our first fundraising event, a **Keys Auction Valuation Day** which was well attended and kept both Keys Auctioneers busy with an interesting array of items for valuation. The 'Guess the Value of the Mystery Object' was a Wemyss Ware three-handled loving cup. Scotland's most famous pottery, it was first produced in Fife in 1882 in honour of the Wemyss family and decorated with natural subjects such as fruit and flowers, particularly the cabbage rose, with one of the largest collections being held by the Queen Mother. The loving cup was valued by Keys at £165. Our congratulations to the winner who received a £25 garden voucher. The event raised just over £200.

Our second annual **Summer Celebration** will be held on Thursday 20th July from 6.00pm to 7.30pm, at the church – come along and enjoy a glass of wine and some nibbles. We look forward to seeing you there.

Upcoming Events:

20th July – Summer Celebration in the church, from 6.00pm to 7.30pm.

30th September – French Evening in the church. Further details to follow.

Remember to keep an eye out for forthcoming events on noticeboards, posters, our Facebook page, the website, the parish magazine or Nextdoor.
